Nick Troubetzkoy's  
**JADE MOUNTAIN**  
 St. Lucia

Rising majestically above the 600 acre beach front resort of Anse Chastanet, Jade Mountain is a cornucopia of organic architecture celebrating St Lucia's stunning scenic beauty. Architect owner Nick Troubetzkoy has expanded upon his philosophy of building in harmony with Caribbean nature in his creation of Jade Mountain. The bold architectural design – individual bridges leading to exceptional infinity pool sanctuaries and rugged stoned-faced columns reaching towards the sky – makes Jade Mountain one of the Caribbean's most mesmerizing resort experiences.

Expect grand sweeping spaces where bedroom, living area and an extravagant private infinity pool glide into one another to form extraordinary platforms floating out into nature. With the fourth wall entirely absent, Jade Mountain's sanctuaries are stage-like settings from which to embrace the full glory of St Lucia's Pitons World Heritage Site, and of course, the eternal Caribbean Sea.

Wrapped around an infinity pool with a dazzling kaleidoscope of colors, the Jade Mountain Club caters exclusively to resident guests, celebrating James Beard Award winner Chef Allen Susser's "Jade Cuisine." Hovering in space above the Jade Mountain Club is the Celestial Terrace, perfect for sunset cocktails or star-gazing.

A wide range of spa services can be enjoyed in the privacy of the Jade Mountain sanctuaries or at Kai en Ciel, Jade Mountain's boutique spa and fitness studio.

The Jade Mountain sanctuaries are deliberately techno-free; there are no telephones, radios or televisions. Internet access is available at reception and at select

other locations for those who simply cannot let go of the outside world as the resort encourages you to! The resort major domos and a dedicated resort team ensure outstanding service around the clock.

Enjoy the exclusivity and privacy of Jade Mountain plus all of Anse Chastanet's restaurants, bars, boutiques, art gallery, spa, scuba, bike and watersports facilities as well as 2 soft sand beaches available to Jade Mountain guests at all times.

### The Infinity Pools

*The private ozone-treated infinity pools range from 450 to over 900 square feet – their sizes increase in relation to the different square footage of the sanctuary categories: STAR, MOON, SUN and GALAXY. All pools feature shallow water lounging areas in addition to a large swimming area. At night they are illuminated with fibre optic lights. Guests can personally control the colour of the fibre optics in their pool. All of the pools have been surfaced entirely in one-of-a-kind iridescent glass tiles, which have been specifically designed for Jade Mountain. Each of the infinity pools has its own individually designed glass tile color scheme which is then carried onto the individual bathrooms, giving each sanctuary its own unique – and rather bold – personality.*
